## Summary

I'm a Second Year Undergraduate majoring in Computer Science Engineering at Kalinga Institute of Technology(KIIT) Bhubaneswar. I'm an ambitious self motivated individual with a strong attention to detail and comfortable working remotely or on-site depending upon the requirements. I can easily meet deadlines depending if the work comes under my forte of expertise.

I enjoy reading about sales and have a keen interest on marketing research.

Also have an interest in Landscape/Abstract photography.
